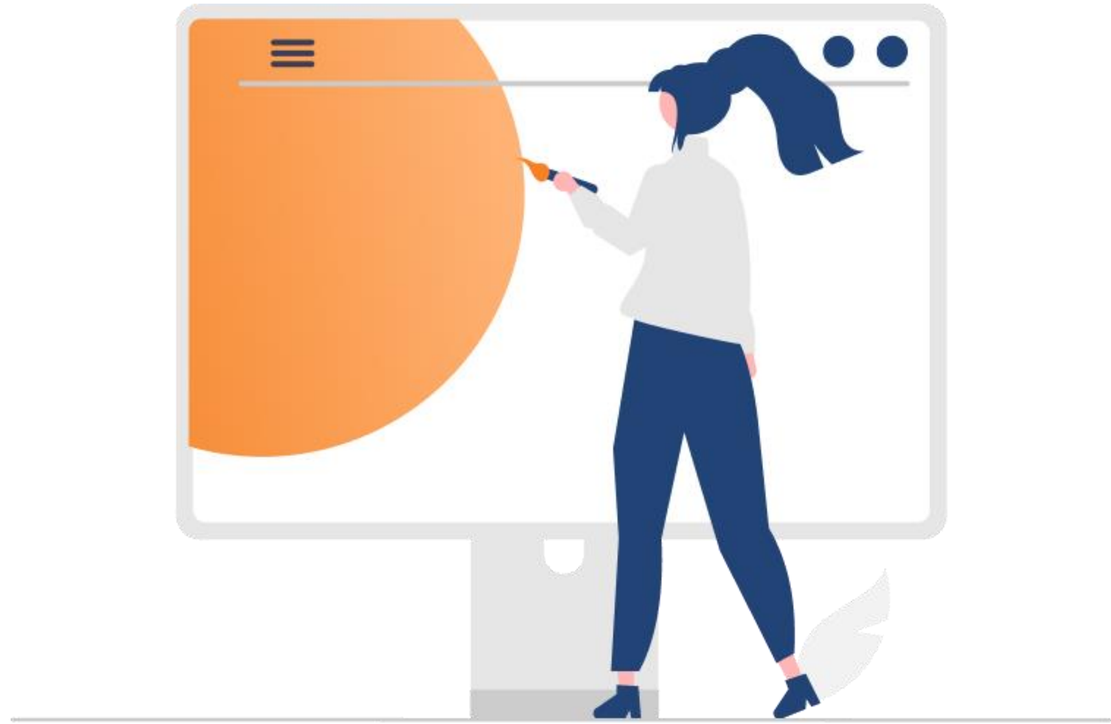
Taqnyat

Profile

www.taqnyat.sa

The most innovative platform for communicating with customers in the Kingdom



About us

Taqnyat is a cloud platform that provides companies and agencies with innovative solutions to communicate with customers and allows various activities to communicate more effectively and provide a more interactive user experience.

Our Vision

is to Empower and bring inspiration to all organization to become more connected and productive

Our Mission

is to give the organizations the power to build high-quality, ultra-security, and reliable products to become closer to their customers

CEO Message

“

Our company culture, values, and passion focused on performance while preserving security, so we are in Taqnyat's work-hard for our customers to enjoy peace of mind, and we give them the opportunity to focus on "WHAT" instead of "HOW".

”

Eng. Saud Alsulami

CEO
